2008 Wrap Up Notes

It has been another great year of Super Late Model racing for the Thrive to Drive Motorsports team and the #9 of Kyle Calmes. Because of our accomplishments this year, we will see the Kyle in the #9 as a 'Touring Star' for the 2009 ASA Midwest Tour Series next year, something that was a goal of ours from the onset of the 2008 season.

Kyle recently wrapped up the season on the national stage with an 8th place finish in the ASA All American 400 held in Nashville, TN on November 1st. Kyle ran an excellent and competitive race with some of the best short track SLM racers in the ASA circuit.

Among our other accomplishments, the team finished the 2008 ASA Midwest Tour 11th in the points race, finished 2nd for the 'Hard Charger' points (ASA MWT), and finished the 'Thursday Night Thunder' FRRC/WIR series 9th.

Memorable moments from the 2008 season would be Kyle's 2nd place finish at WIR for the ASA Midwest Tour event on August 8th, and of course the 8th place finish at the Milwaukee Mile on August 24th for the Governors Cup (in front of a bus load of excited T2D fans)! Like any season, this had its ups and downs for the team, but overall a success that couldn't be accomplished without our friends and sponsors!

Season-end Supporter Appreciation Party

On Friday, November 14th, Thrive to Drive will be holding our annual Supporter Appreciation Party. It is our way to give thanks to our sponsors, friends, and supporters for all everyone has done in the 2008 season.

Without our sponsors, Thrive to Drive Motorsports could not operate on the level we do, and strive to meet our goals. Without the dedication and time investment of our crew and their families, we certainly would fall far short of those goals. And of course without our fan support, it would not be as an exciting of a ride as it has been! That being said, if you fall into one of these categories, we hope you join us this Friday as a token of our appreciation.

The party starts at 7PM at the Thrive to Drive Motorsports shop, Sharon Rose Court, Freedom, WI.

Refreshments and snacks will be provided, and I'm sure we will review reels of races from the 2008 season (just in case Hank missed anything).

Hope to see you there!

Thank You!

Thanks again for supporting T2D Motorsports in 2008. Special thanks to all of our sponsors this season. We will continue to update our website www.thrivetodrive.com throughout the off season as our plans for 2009 develop! Be sure to periodically check in for updates.

See you in 2009!
